The above laboratory has been evaluated and found to comply with the applicable requirements of ISO/IEC 17025 in accordance with SGS's Testing Manufacturing Plant (TMP) and Test Data Acceptance Program (TDAP) and has been qualified as a TMP/TDAP participant. The laboratory is hereby authorized to submit testing data to SGS for product certification purposes, as permitted by the applicable schemes and for the product types and standards specified in the TMP/TDAP Scope. (Scope of the TMP/TDAP laboratory is specified in the annex)

This document is issued by the Company subject to its General Conditions of Service, available on request or accessible at www.sgs.com/terms_and_conditions.htm and for electronic format documents, subject to Terms and Conditions for Electronic Documents at www.sgs.com/terms_e-document.htm. Attention is drawn to the limitation of liability, indemnification and jurisdiction issues defined therein. Any holder of this document is advised that information contained hereon reflects the Company's findings at the time of its intervention only and within the limits of Client's instructions, if any. The Company's sole responsibility is to its Client and this document does not exonerate parties to a transaction from exercising all their rights and obligations under the transaction documents. This document cannot be produced except in full, without prior written approval of the Company. Any unauthorized alteration, forgery or falsification of the content or appearance of this document is unlawful and offenders may be prosecuted to the fullest extent of the law.
